

# D.J.PRIYA DHARSHINI

## BCA STUDENT

22267432 | XXX@GMAIL.COM

### BACKGROUND

A dedicated and enthusiastic second-year BCA student, set to graduate in 2026. With a strong foundation in programming and database management, I have developed skills in SQL, Python, C++, webpage development, and Microsoft tools.

I have completed an internship at Dreamcode Academy, specializing in SQL, and have actively participated in academic competitions, securing top positions in PPT presentations and magazine designing. Passionate about technology and innovation, I am eager to expand my knowledge and explore internship opportunities to enhance my practical experience.

### EXPERIENCE

#### Intern, Dream Code Academy | SQL Development

- Gained hands-on experience in SQL database management and queries
- Worked on real-time database projects

#### Department Magazine Contributor

- Designed and contributed content for the college magazine
- Won **3rd place** in magazine designing

### SKILLS

- SQL
- Microsoft Tools (Excel, Word, PowerPoint)
- Webpage Development
- Python
- C++

### EDUCATION

#### Anna Adarsh College for Women

Bachelor of Computer Applications (BCA) | 2026 (Expected)

Completed schooling at **C.S.I. Bain School**

### ACHIEVEMENTS
